Title 18 U.S.C. Section 1001 and Title 43 U.S.C. Section 1212, make it a crime for any person knowingly and willfully to make to any department or agency of the United States any false, fictitious, or fraudulent statements or representation as to any matter within its jurisdiction.

GENERAL INSTRUCTIONS

1. Type or print plainly in ink.
2. Submit application and related plans to the BLM District or Resource Area Office in which the land is located.
3. Study controlling regulations in 43 CFR 2740 (*Sales*) and 43 CFR 2912 (*Leases*).
4. If applicant is non-governmental association or corporation, attach a copy of your charter, articles of incorporation or other creating authority. If this information has been previously filed with any BLM office, refer to previous filing by date, place, and case serial number.
5. If applicant is non-governmental association or corporation, attach a copy of your authority to operate in the State where the lands applied for are located. If previously filed with any BLM office, refer to previous filing by date, place, and case serial number.

SPECIFIC INSTRUCTIONS

(Items not listed are self-explanatory)

Item

2. If land is surveyed, give complete legal description. If land is unsurveyed, description should be by metes and bounds connected, if feasible, by course and distance with a corner of public land survey. If possible, approximate legal subdivisions of unsurveyed lands should be stated. Acreage applied for **must not exceed** that specified by regulations.
- 3a. Generally, title to lands will not be granted upon initial approval of an application. In order to assure proper development or use plans, the general practice will be to issue a lease or lease with option to purchase after development is essentially completed. In any case, term of lease may not exceed 20 years for non-profit organizations or 25 years for governmental agencies, instrumentalities or political subdivisions.
4. Leases and patents under this act are conditioned upon continuing public enjoyment of the purposes for which the land is classified. The plan of development, use, and maintenance **must** show, at a minimum:
 - a. A need for proposed development by citing population trends, shortage of facilities in area, etc.
 - b. That the land will benefit an existing or definitely proposed public project authorized by proper authority.
 - c. Type and general location of all proposed improvements, including public access (*roads, trails, etc.*). This showing may take the form of inventory lists, maps, plats, drawings, or

Item

- blueprints in any combination available and necessary to describe the finished project. Site designs should be provided for intensive use sites and general information about improvements existing or planned on lands within the overall project.
- d. An estimate of the construction costs, how the proposed project will be financed, including a list of financial sources, and an estimated timetable for actual construction of all improvements and facilities.
- e. A plan of management to include operating rules, proposed source and disposition of revenues arising from the proposed operation, personnel requirements, etc.
- f. A specific maintenance plan to include, for example, sewage and garbage disposal, road maintenance, upkeep and repair of grounds and physical facilities, etc.
- g. Applications for solid waste disposal sites **must** comply with guidelines established by the Environmental Protection Agency (40 CFR 258) and **must** include a detailed physical description of the site including a map, description of ground water situation, soil characteristics and management plan.
6. This may consist of a copy of a delegation of authority, resolution or other evidence of authority from the governing board of the applicant's organization, copy of the by-laws of the organization, or the like.
